

Bitterroot Cavalier's

ADOPTION APPLICATION

In choosing a Cavalier King Charles Spaniel as your new family member, you are making a commitment to his care for the next 10-15 years. Please research the breed and review your family plans before you make any decisions. All of our dogs are raised in the home. We will only place our puppies into homes where they will be cherished and pampered. We do not sell to brokers, pet shops or commercial breeders. Each puppy is evaluated for type and temperament on a continuing basis as they grow. We try to match this with your family and lifestyle. Whether you are purchasing for the show ring or simply as a family pet, we want it to be a match for life.
